

## **Permission Form to Allow Another Person To Pick Up Food For You at WAFER**

This form allows someone who doesn't live with you to pick up WAFER food for you. If you haven't gotten food from WAFER within the past year, you may need to sign up again. The first time you sign up and then once a year you must send along with your food-pickup-person, a form of identification for you with your name, such as your driver's license. We will also need yearly address verification for all adults in the household; such as a bill issued within last 30 days, lease, or food share statement (former food stamp program). Also proof for all kids: such as insurance cards or report cards.

The person picking up your food must have their own identification each time they come to WAFER and they must be able to verify with their signature that all your information is still current and that your income is at or below the level for US government provided food (TEFAP Commodities) for your household size.

To qualify for government provided food, you must live in La Crosse County and have an income at 185% or less of the federal poverty level for your household size. Both WAFER and the Salvation Army in La Crosse get government provided food so you must choose only one location to get your food; WAFER, From the Heart, River of Life, or the Salvation Army. If you choose WAFER you can still use other the other organizations services, just not their food pantry. If you need information you can call WAFER at 608-782-6003 or use the website at [info@waferlacrosse.org](mailto:info@waferlacrosse.org) under the Get Help Now tab.

**Please fill out the form COMPLETELY and PRINT CLEARLY.**
