

At *WAFER Food Pantry*, we work tirelessly to help our neighbors in need of food, nutrition education, dignity, and hope.

With neighbors like you by our side, *WAFER* is able to fulfill this mission and improve the lives of local families by distributing more than 1.4 million meals per year, among other support services we offer. **Thank you!** Your generosity and commitment to alleviating hunger and providing hope continues to make a profound impact on our ability to serve those in need throughout our community. **Thank you!**

One such patron is Kaylin, a college graduate and single mom to her 5-year-old son. Money got tight and she was unable to afford healthy food and the gluten free items needed for her son. Kaylin showed up to *WAFER* for help and found an abundance of produce for her and gluten free items for her son.

As we move toward a new year, we are celebrating being in our new facility. With an accessible location, significantly larger space and a smoother functioning facility, we are serving more patrons than in recent years. And now with the holiday season approaching...we will be called on to serve even more.

Our work is never finished - and that is why we are reaching out to you.

We invite you to consider the difference you can make by contributing to our year-end appeal. Your donation will directly impact our ability to provide food, support, and hope to those who depend on us. Donating is easy, and you can make your contribution securely on our website (<https://waferlacrosse.org/donate/>) or mail a check using the enclosed envelope.

This holiday season, we invite you to be a beacon of hope in **Greater La Crosse County** as we **strive to alleviate hunger and build a stronger, more resilient community.**

With deep gratitude and warm wishes for a joyful holiday season,

Erin Waldhart
Executive Director

EVERY DOLLAR MAKES A SIGNIFICANT DIFFERENCE!

- \$25 = 100 meals
- \$50 = nutritional classes for 4 participants
- \$100 supports one delivery from our mobile pantry
- \$250 supports 50 individuals through our senior food insecurity package delivery program
- \$500 = 1 month of backpacks of food for 25 children

*Thank you for being a part of our journey,
for your unwavering support,
and for making a difference in the lives of your neighbors.*
