Your gifts end hunger

Thomas and Fran, a couple in their 90s, found it difficult to reach WAFER for food. Nearly a year ago, they started receiving WAFER food packages at their doorstep. Recently, Thomas contacted us to discontinue the deliveries following his wife's passing, as he was transitioning to a care facility. He expressed his appreciation, stating, "Thank you for all the deliveries. Opening the food box each month made my wife feel like it was Christmas. You made that possible!"

Your support means the world to Thomas, Fran, and other elderly individuals dealing with food insecurity and ensures access to wholesome meals. Your kindness brings hope to those experiencing hardship!
